

The Summit Environmental Education Center at Haw River State Park is the only residential environmental education program in the NC State Park system! The Summit is an outdoor education center located at Haw River State Park, in beautiful Browns Summit, near Greensboro, NC. We're seeking dedicated, creative, fun outdoor enthusiasts with high-energy to become Summit instructors. Summit instructors work with children ages 7 to 18 years old. They also facilitate adult groups through teambuilding activities. The Summit offers programming ranging from 1-day experiences up to 3-day/2-night residential stays. Our "classrooms" include several hundred wooded acres, pristine wetlands, a 6-acre lake, and the headwaters of the Haw River. Why work here instead of another outdoor education center? The Summit is determined to create and maintain the highest standards within the field of environmental education. The position is a seasonal position with the NC State Park System. **Start Date** is July 28th - ending November 20th, with the possibility of re-hire in February 2016. Your employment will include: salary of \$8.80/hr with housing for only \$30 a month if interested. You will gain outdoor education experience in Piedmont Wildlife, Animal Adaptations, Wilderness Survival, Orienteering, Teambuilding, Soils and Wetlands Ecology. Please email resume and cover letter to Kathryn Royall at [kathryn.royall@ncparks.gov](mailto:kathryn.royall@ncparks.gov) or mail to: The Summit Environmental Education Center at Haw River State Park, 339 Conference Center Dr., Browns Summit, NC 27214; Fax: 336-342-0583. **Applications accepted until positions are filled.**
